EARITH Symbol

Activating your Merkabah

I will teach you the Maharic Shield technique, something to sustain the 12 dimensional body. It's best to activate your Maharic Shield once you wake up, and before going to sleep at night.

We will meet our Merkabah, our Chariot, our own Spaceship for Inner and Outer Earth travels.

> To get you in the mood: Sounds of our Home Planet: <u>Earth's sound from Space</u>

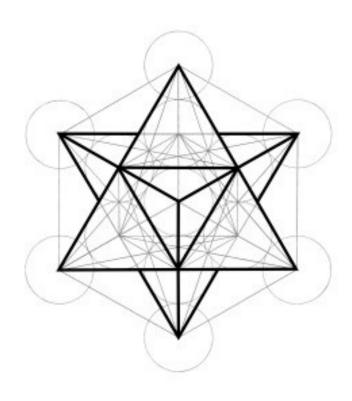

This is the Star of David /
The 2D Merkabah

The Hierophant Symbol (Tarot Card n5, the Pope / the Teacher, the Outer Manifestation of the High Priestess: the External Spirituality; Rituals, Sacred Experiences)

This is what we use in the Maharic Shield Creation.

Consult the Video on our Website.

With our Merkabah, we view the star of David in 3D. Two spinning pyramids.

One pointed upwards, the other pointed downwards.

And they spin differently. One clockwise, one counter clockwise.

Take your time to build, sense, see this inside of your mind, then rise up, rise up to your travels. Your Interdimensional Travel Chariot is ready.
